### CHECK IN

- Copy of Insurance (minimum Third Party) must be provided
- Key (green) for Amenities & Pedestrian Gates can be obtained from the Marina Office. Credit Card swipe (for deposit) is required.
- Amenities are located under Hardstand Office.
- Transport to Town (please speak with Marina staff for details):
  - Marina courtesy bus runs to town 0930 Mon-Fri (booking essential)
  - Turtle Coast Car Hire: Affordable utes and cars starting from \$45/day available from the marina office.
  - Public Transport – refer Timetable
- Vehicles must be moved out of the Hardstand Yard by 4pm or will be locked in for the night.
- All pets are to be reported to the office.
  - All pets are to remain on your vessel, unless on a lead & owners must clean up after their animal immediately
  - Persistent barking dogs may lead to your Agreement being cancelled.
- Dry Storage access: only available between 0700 – 1500 Mon-Fri. Check in & out with Office. No working/liveaboard permitted.
- Whilst your Vessel is held in a secure environment, Owners are responsible for securing all chattels on their Vessel
- Bilges must **not** be pumped out onto Ground.
- If you require labour or other works to be done on your Vessel, please don't hesitate to speak with the Yard Manager.

**“ PAYMENT IS REQUIRED PRIOR TO RE-ENTRY ”**

## **SETUP OF VESSELS**

- Please ensure you keep clear of the Travelift & Staff while they are setting your Vessel. Any questions or requirements can be sort through the Office or Yard Manager.
- Securing your Vessel using a Load Sharing System:

Port & Starboard support: Under your Keel, blocks are positioned in the centre of a Steel Beam to spread weight to the **Cradles**.

Forward & Aft support: Bow & Stern **Stands** are set to support the weight forward & aft.

**Props** are then positioned to further support your Vessel.

***Under NO CIRCUMSTANCE are STANDS, CRADLES or PROPS TO BE MOVED without speaking to the Yard Manager first.***

## **WORKING IN YARD**

- All Vessel works are to be discussed with the Yard Manager:
  - NO Spray Painting allowed (other than Yard Staff)
  - Welding, Grinding & Sanding must be authorized by the Yard Manager

*Be Safe .....*

- Supplied Trestles & Planks are to be set up & used in a safe manner.

*Love thy Neighbour .....*

- Vacuums must be used when dust or particles are being dispersed into the atmosphere. In some instances Tarpaulins or Screens are required.
- Grinding of Steel must be in an enclosed area.
- Sites to be kept clean & tidy at all times

***If you are not sure – please ask, so that everyone can work together & enjoy their stay***

**“PAYMENT IS REQUIRED PRIOR TO RE-ENTRY”**
